පහත පියවරයන්ට අනුව ඇතුළත් කරන්න

கீழ்காணும் படிகள் படி உள்ளிடவும்

The screenshot shows the 'New Account' setup window. On the left, a sidebar lists mail folders like 'Inbox', 'Outbox', 'Sent', 'Trash', 'Drafts', and 'Junk Email'. The main area is titled 'New Account' and has a progress bar with steps: 1. Identity, 2. Incoming server, 3. Outgoing server, 4. Test configuration, 5. Account details, 6. Encryption, and 7. Finish. The 'Incoming server' step is active. It contains three sections: 'Incoming server' with a radio button for 'POP3' selected (circled in red), 'Server address' with the text 'cdbnet-lk.icewarpccloud.in' (circled in red), and 'Authentication' with the 'User name' field containing 'test@cdbnet.lk' (circled in red). The 'Password' field is masked with dots. At the bottom right are 'Back', 'Next', and 'Cancel' buttons.

- I. Select : **POP3**
- II. Incoming Server: **cdbnet-lk.icewarpccloud.in**
- III. Username: your full email address (Ex: test@cdbnet.lk) / Password: your email password

- I. තෝරන්න: POP3
- II. Incoming Server : cdbnet-lk.icewarpccloud.in
- III. Username: ඔබේ සම්පූර්ණ විද්‍යුත් තැපෑල ලිපිනය(උදා:test@cdbnet.lk) / මුරපදය (Password): ඔබේ email මුරපදය

- I. தேர்ந்தெடுக்கவும்: **POP3**
- II. Incoming Server: **cdbnet-lk.icewarpccloud.in**
- III. Username: உங்கள் முழு மின்னஞ்சல் முகவரி (எடுத்துக்காட்டு: test@cdbnet.lk) / கடவுச்சொல் (Password): உங்கள் மின்னஞ்சல் கடவுச்சொல்

3. Outgoing Server : Enter As Below Steps

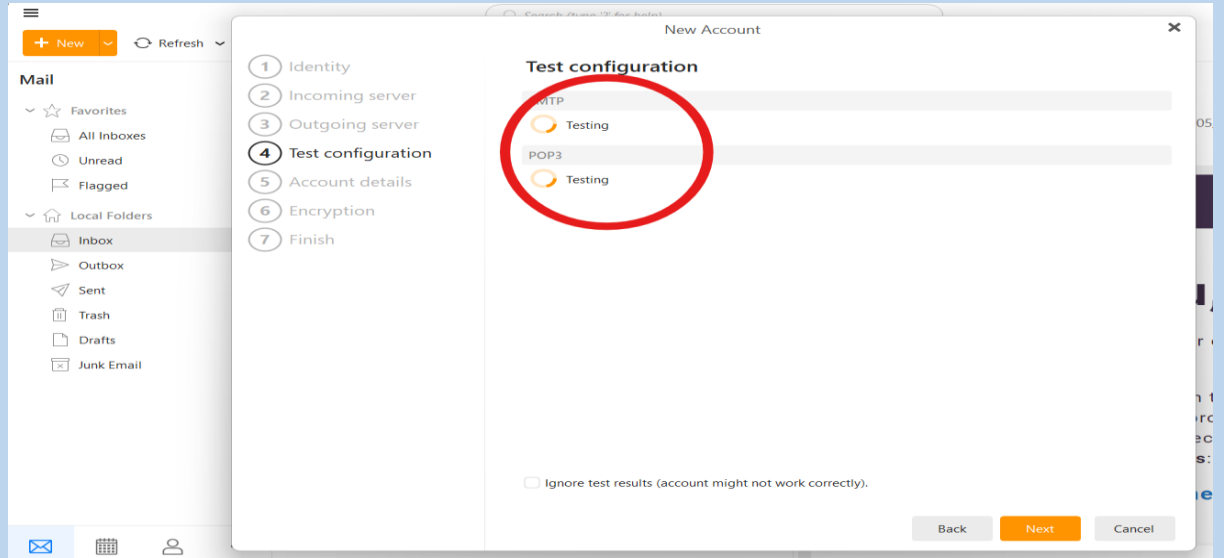

පහත පියවරයන්ට අනුව ඇතුළත් කරන්න

கீழ்க்காணும் படிகள் படி உள்ளிடவும்

The screenshot shows the 'New Account' dialog box in a mail client. The 'Outgoing server' step is highlighted with a red oval, and the 'Authentication' section is highlighted with a red rectangle. The 'Outgoing server' field contains 'cdbnet-lk.icewarpcloud.in'. The 'Authentication' section shows 'User name: test@cdbnet.lk', 'Password:, and a checked checkbox 'Outgoing server doesn't require authentication'. Arrows point from the steps 3, 4, 5, and 6 on the left to the corresponding fields in the dialog box.

- I. Outgoing Server : **cdbnet-lk.icewarpcloud.in**
 - II. Username: your full email address (Ex: test@cdbnet.lk) / Password: your email password
 - III. Tick the box : Outgoing server doesn't require authentication
-
- I. Outgoing Server: **cdbnet-lk.icewarpcloud.in**
 - II. Username: ඔබේ සම්පූර්ණ විද්‍යුත් තැපෑලේ ලිපිනය (උදා: test@cdbnet.lk) / මුරපදය (Password): ඔබේ email මුරපදය
 - III. කොටුවල තෝරන්න (Tick the box): Outgoing server සඳහා authentication අවශ්‍ය නැත
 - Then Click **Next**
 - පසුව **Next** මත ක්ලික් කරන්න
 - பிறகு **Next** ஐ கிளிக் செய்யவும்

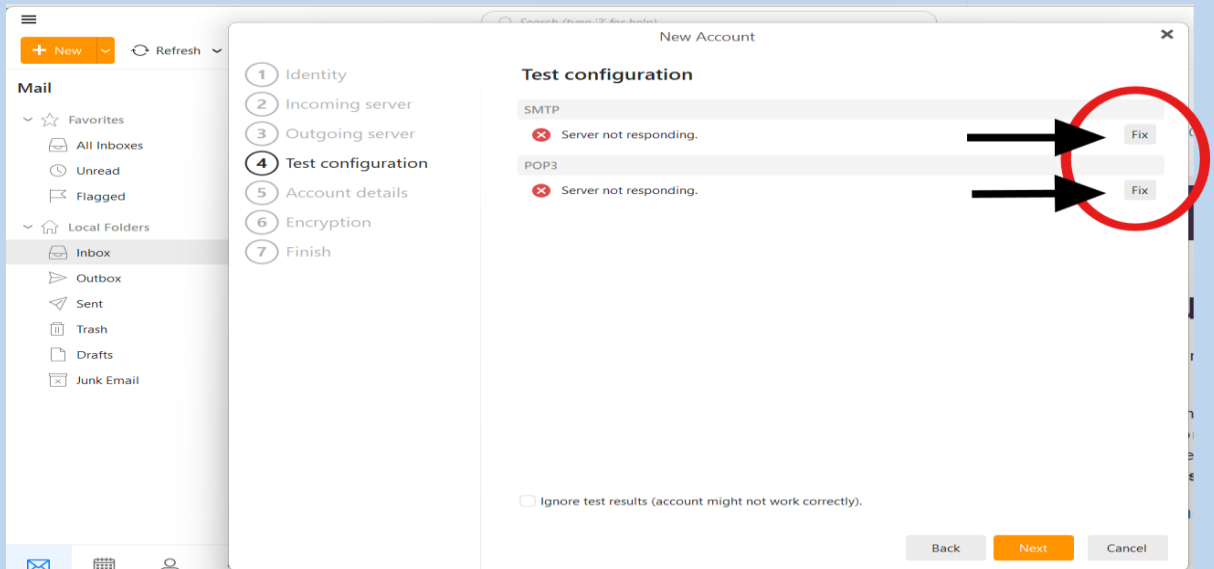

4. Test Configuration
